

THE HONG KONG UNIVERSITY OF SCIENCE AND TECHNOLOGY  
Division of Life Science  
Research Assistant

One research assistant position is available in Dr. Julie Semmelhack's laboratory in the Division of Life Science (<http://life-sci.ust.hk/faculty/Dr.J.Semmelhack/>). Research in the lab is focused on the zebrafish visual system, and the appointee will perform and support experiments involving zebrafish genetics, behavior, and functional imaging.

Applicants should have a master's or bachelor's degree in Biology, Neuroscience, Engineering, or a related field, prior research experience, and excellent written and verbal communication skills.

Starting salary will be commensurate with qualifications and experience. Fringe benefits including annual leave, medical and dental benefits will be provided. Duration: 1-year contract, renewable

Please submit a CV and a statement of past and future research interests to Dr. Julie Semmelhack ([jsemmelhack@ust.hk](mailto:jsemmelhack@ust.hk)). Review of applications will continue until the position is filled.
