Adjunct / Visiting Faculty Position (Biotechnology Management)

Job Posting Details

The Department of Management at the Hong Kong University of Science & Technology invites applications for a 1.5-year Adjunct / Visiting Faculty, with exact rank to be determined based on qualifications.

The successful candidate is mainly expected to develop and teach the courses offered by the programs in School of Business and Management, including a new interdisciplinary course in Biotechnology Management.

Applicants should (i) possess a higher degree, preferably an earned Doctorate in Management, Business or a relevant discipline from a recognized university; (ii) preferably have a minimum of six years’ post-qualification relevant work experience in Biotech industry; and (iii) have a good connection with the professional community, and be able to contribute towards incorporation of industry-related course contents.

Appointment will initially be made on contract basis for 1.5 years, renewable subject to mutual agreement and good performance. Shortlisted candidates will be invited for interview.

Details about the Department is available at http://www.bm.ust.hk/mgmt/.

Application Procedure

Interested candidates are invited to send a cover letter, curriculum vitae, teaching records (max. 1 page) and research statement (max. 3 page, if any) electronically, via Interfolio at http://apply.interfolio.com/53759. Review of applications start in late September 2018 and will continue until the position is filled.

Diversity and Inclusion are key values of the HKUST culture. We actively encourage applications of women, persons of color, persons of all nationalities, and persons with disabilities.

(Information provided by applicants will be used for recruitment and other employment-related purposes.)
