Job Title: Teaching Associate  
Department: Division of Life Science  
Job ID: 4721

Job Posting Details

The Division of Life Science seeks a Teaching Associate for the 2019/2020 academic year. The successful candidate will assist in tutorial and laboratory teaching, course preparation, teaching development and supervision of students.

*Applicants should have a master’s degree in the area of life sciences, with demonstrated competence in molecular biology and biochemistry. In addition, the successful candidate should have proven ability to teach effectively in English. (Duration: 2 years, renewable)*

Starting salary will be commensurate with qualifications and experience. Fringe benefits including annual leave, medical and dental benefits will be provided. A gratuity will be payable upon successful completion of contract.

Application Procedure

In support of a green work environment, we accept applications submitted online only. To apply, please complete an online application form through the HKUST Careers website (https://hkustcareers.ust.hk) and return it online to the Human Resources Office. Review of applications will continue until the position is filled. Applicants will receive an acknowledgement by email upon successful submission. We thank applicants for their interest, but advise that only shortlisted candidates will be notified of the result of the application.
